BLACK FAMILY.—Peter Black, deceased, was born December 11, 1789, in Maryland. His early life was spent in his native State, where he learned the manufacture of brick and the trade of masonry. He was married in Baltimore, Md., August 16, 1812, to Martha Amos, who was born in Maryland July 30, 1793. A few years succeeding his marriage, Mr. Black and family removed to Lancaster County, Penn., where in connection with his trade he carried on teaming quite extensively. In 1833, he discontinued his trade, and with his family removed to Richland County, Ohio, where he engaged in farming. In 1853, he moved to Jefferson Township, where his oldest son had preceded him, and began, with the help of his sons, to clear and improve a farm. He was an industrious and honest man, a Democrat and a soldier of the war of 1812. His death occurred in Noble County, October 23, 1863. His wife was a member of the Old School Baptist Church, and her death occurred in Noble County January 28, 1872. Mr. and Mrs. Black were parents of the following family: F. A., born July 31, 1813; Owen, September 24, 1815; Elizabeth, September 7, 1817, died December 1, 1862; Oliver P., born October 17, 1819; Cyrus, May 28, 1822; Davis, August 7, 1825; Benjamin, March 4, 1828; Naomi, January 28, 1831, wife of J. J. Knox, of Elkhart Township; Peter M., born June 1, 1836, died January 13, 1863; and James M., January 16, 1840.
